Water

All water instruction is provided as onsite, site-specific workshops. This format enables hands-on participation and provides greater opportunities to address particular areas of interest and concern that might otherwise go unrecognized in the usual classroom setting. To arrange a Water Workshop for your facility, contact the instructor, Robert Bruce, at 814-865-7874 or by email at rbruce@enr.psu.edu.

SHORT COURSES—SAVE THE DATE ONLY*

* **Email notifications will be sent with registration information approximately 12 weeks prior to each course.**

CEUs awarded for 100% attendance and participation (no exceptions) for all Short Courses.
